

**TEDDY ROCKS FESTIVAL LTD [TRF]**  
**2024 LIVE-IN VEHICLE TERMS & CONDITIONS**

1. Access and use of the live-in vehicle is subject to the Teddy Rocks Festival General Terms and Conditions and the Teddy Rocks Festival Camping terms and conditions as well as the terms and conditions listed below. These can be downloaded from [www.teddyrocks.co.uk/terms](http://www.teddyrocks.co.uk/terms) and [www.teddyrocks.co.uk/camping](http://www.teddyrocks.co.uk/camping) respectively. Purchasing a live-in vehicle ticket constitutes your acceptance of all T&C'S.
2. A supplement Live-in Vehicle Ticket must be purchased for anyone wishing to camp on site in a live-in vehicle. By that we mean any campervan, motorhome, caravan or trailer tent specifically designed for camping. [See definition below]. The campervan ticket will be issued with a window pass that must be on display on site at all times within the live-in vehicle.
3. All persons who will be camping in the live-in vehicle field must also be in possession of a full weekend camping festival ticket. Day tickets are not acceptable nor are weekend only tickets. The live-in vehicle ticket alone does not gain you entry to the festival.
4. Pitches in the live-in vehicle field measure 7m x 7m. This is adequate space for your live-in vehicle plus one of the following:
  - 4.1. An extendable awning or gazebo
  - 4.2. The vehicle used to tow your caravan/trailer tent.
  - 4.3. A single tent to be used by the family or group within the live-in vehicle.
5. There is only one live-in vehicle per pitch.
6. Once your live-in vehicle or your towing vehicle are parked, they will not be permitted to move until you are leaving the site for good. If you wish to use your towing vehicle to leave then come back to site, it must be parked in the car park and possess a car park pass which will need to be purchased separately.

7. Live-in Vehicle Definition:

A vehicle that has been designed to have an inbuilt bed, inbuilt water storage tank, inbuilt cooking facilities. We will strictly not accept "makeshift" live-in vehicles i.e., no vans or people carriers etc. with mattresses or portable cookers inside. If in doubt, contact the festival with a photo of your vehicle. Contact details can be found on our website. Any vehicle trying to pass as a campervan and deemed inappropriate by the campsite security crew, will be turned away with no refund of any of the tickets.

8. The live-in vehicle field will have facilities to support you: toilets, access to a water tap, access to waste-water disposal. Note that this is waste-water from washing or cooking – not toilet waste. Showers will be located in the tent camping field, a short

walk for ticketholders staying in the caravan / campervan campsite. A separate shower pass will be required for those wishing to use them <https://www.teddyrocks.co.uk/tickets>

9. There are no generators allowed in the campsite. If found, the generator will be confiscated and not returned until you leave site. Likewise, there are to be NO freestanding LPG canisters other than those that fitted for use within campervan or caravan.
10. As with all of the camping fields, there are to be no open fires: no chimneys, braziers, fire pits, campfires etc. If found, the item will be confiscated and not returned until you leave site. Throwing gas, aerosol or similar canisters/ containers on to fires is extremely dangerous and will lead to eviction.
11. There will be marked fire lanes within the live-in vehicle field. Please do not park or block these lanes in any way.
12. Your pitch should allow you all the room you need. Any vehicle or item that is found in the fire lanes will be asked to move or will be moved.
13. Vehicles and tents may be searched on entry by security staff to ensure no prohibited items are brought on to site as specified in the Camping T & C's. Security staff will confiscate and such items and may refuse entry to site. The discretion and decision of the security team will be final.
14. All vehicles and belongings must be removed from the site by midday on the Monday at the end of the festival.
15. Any items or vehicles left on the Campervan/ Caravan field will be removed and we reserve the right to charge any costs incurred in its removal to the customer.
16. Please respect the farmland we are using by not dumping waste, leaving litter or using anything other than the toilets provided. To do so may endanger the land or any of the farm animals that use the land.
